Journeys of the World is proud to present its collection of beautiful Travel Photography books, with its first publication: "Journeys of Cinque Terre". This book features a wide variety of photography from all 5 villages, which make up this world renowned and protected area in North Western Italy (Cinque Terre). Regardless of how many countries you plan on visiting or have visited, its very likely that you will encounter the vast majority of what is featured in our publication when visiting Cinque Terre. In Journeys of Cinque Terre, the photos were taken on the spot, with no prior arrangements and on the "go". Unlike many other publications, we dont stage or make prior arrangements for our photography. Our product also contains over 90% of photography. This is truly what makes this an exciting item. Journeys of Cinque Terre, along with all other products to come out, has been set up to promote the beauty of its chosen location.
