BOOK SYNOPSIS

Learn to blend theory with practice in group work with **GROUPS: PROCESS AND PRACTICE**, the respected book that so many helpers (and helpers in training) rely on every day. Focusing on the what is and the how to of group counseling, the authors use up-to-date examples, guidelines, insights, and an enhanced diversity perspective to show you how group leaders can apply the key concepts of the group process to a variety of groups, including work with children, older adults, and in school settings. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
