BOOK SYNOPSIS

This 20th anniversary edition introduces the unique approach of Listening Hearts to the spiritual practice of discernment for a new generation. Written to make the often elusive and usually clergy-centered spiritual practice of discernment accessible to all people, Listening Hearts features simple reflections and exercises drawn from scripture and from Quaker and Ignatian traditions. The seminal work in the Listening Hearts Series, this book has been a beloved resource for tens of thousands of individual readers, retreat participants, small groups and church leaders, listening for and responding to God's call in their lives.
