BOOK SYNOPSIS

Hotel Design, Planning and Development presents the most significant hotels developed internationally in the last ten years so that you can be well-informed of recent trends. The book outlines essential planning and design considerations based on the latest data, supported by technical information and illustrations, including original plans, so you can really study what works. The authors provide analysis and theory to support each of the major trends they present, highlighting how the designer's work fits into the industry's development as a whole. Extensive case studies demonstrate how a successful new concept is developed. Hotel Design, Planning and Development gives you a thorough overview of this important and fast-growing sector of the hospitality industry.
