## BOOK SYNOPSIS

You were made to be with me, as I was made to love you. No moment in time can take that away from us. The sounds of a storm wakes Mya in the middle of the night. Except instead of a storm, a war is raging outside the window. She had no idea what time it is, or even the date. She doesn't know how she ended up in the building, or who the handsome soldier that saves her is. She feels connected to him, and his older worldly ways. A stranger and yet she knows things about him—intimate things, like the scar on his chest, the way his hair curls around her fingers when she runs her hand through it. Pieces of a puzzle they don't understand, begin to fit together. Destiny seems to be pushing them together, but why? Just when they are on the verge of figuring out their connection, the devastating war tears them apart again. You were given this life because you're strong enough to live it.
