

Raw Milk the legal Anabolic Steroid for common-sense Californians!

Raw Milk

the legal "Anabolic Steroid" for common-sense Californians!

To comment or debate me on this exact topic, raw milk and muscle building, you need to meet the following 3 criteria.

1. you are a licensed and nationally certified dietitian/nutritionist
2. you have consumed 100% of gallons of raw milk within 7 yrs
3. you have done some bodybuilding/sporting along with it

If you can't meet these three criteria, you are not in my opinion, qualified to speak on the subject. You do not have direct, specific experience on this subject matter.

Let those who want to hear it, hear it, and not be misled by your say'ing.
