BOOK SYNOPSIS

The revised and updated edition of the guide for parents of children with autism on what to look for in an Early Intensive Behavioral Intervention Program (EIBI). EIBI is a highly effective instructional program based on Applied Behavior Analysis (ABA). This edition covers new information on the latest research about the benefits of EIBI, the types of teaching methods, the professionals involved, and the pros and cons of home-based versus school programs. Parents find guidance that gives them confidence to evaluate and choose the best program for their child with autism.
