BOOK SYNOPSIS

George OConnor is a Greek mythology buff and a classic superhero comics fan, and hes out to remind us how much our pantheon of superheroes (Superman, Batman, the X-Men, etc) owes to mankind's ORIGINAL superheroes: the Greek pantheon. In OLYMPIANS, OConnor draws from primary documents to reconstruct and retell classic Greek myths. But these stories arent sedate, scholarly works. Theyre action-packed, fast-paced, high-drama adventures, with monsters, romance, and not a few huge explosions. OConnors vibrant, kinetic art brings ancient tales to undeniable life, in a perfect fusion of super-hero aesthetics and ancient Greek mythology. Volume 1 of OLYMPIANS, ZEUS: King OF THE GODS, introduces readers to the ruler of the Olympian Pantheon, telling his story from his boyhood to his ascendance to supreme power. This title has Common Core connections.
